

Flight Purchase

Your flight is non-refundable unless specified refundable fare. You have 24 hours to cancel without incurring penalties from the airline.

Flexible Payment Plans

When booking a flight with a flexible payment plan option please note that we are confirming the e-ticket by paying the airline in full and allowing you to pay us in installments. All cancellation rules above apply.

Hotel Accommodations

The cancellation policies for hotel accommodations vary by hotels, suppliers & tour operators. The policy for your specific booking will be disclosed at time of booking by your travel agent.

Travel Insurance

It is highly recommended that travelers purchase travel insurance for protection of their financial investment when booking a trip or guided tour. There are uncontrollable events which are not covered when traveler is in cancellation penalty such as Force Majeure. Therefore, Trip Insurance covering pre/post trip cancellation, trip delay, trip interruption, medical emergencies are highly recommended to safeguard your trip investment. Any type of coverage such as medical during the trip will be specified at time of booking to the traveler.

Traveler News

It is the travelers responsibility to ensure that they are up to date with entry and exit requirements to their travel destination. To ensure the most up to date requirements please visit **travel.state.gov** and select International Travel.
